8. Ridden Marking

8.1 The marks for ridden showing classes will be allocated as follows:

50% conformation and breed characteristics

50% ride manners and presentation in the ring

9. Warm Up and Practice Arenas

9.1 Riders are to behave with consideration to their fellow competitors whilst working in and must: -

9.1.1 Pass left hand to left hand when meeting another rider coming in the opposite direction.

9.1.2 Make tack adjustments outside the warm up / practice arena.

9.1.3 It is the Competitors responsibility to be aware of other Competitors at all times whilst in the warm up / practice arena.

9.1.4 Whips may be carried, but ensure the whip is not so long or used so that it could upset a passing horse.

9.1.5 Do not halt or walk on the outside track and always leave room for other riders to pass.

9.1.6 Do not lunge without the permission of the Organiser / Steward. Lunging should only take place in a designated arena or at a designated time.

9.1.7 Lunging a horse / pony in a balancing or running rein is prohibited.

9.1.8 A horse / pony may only be worked in by the person who is due to compete on that horse / pony in competition while attending the event. Breaching this rule may incur elimination from all competitions at that event.

9.1.9 Only riders, trainers and grooms are permitted in the warm up / practice arenas and must confine themselves to pedestrian areas if not mounted on a horse / pony.

9.1.10 If a warm up arena is becoming overcrowded, the Organiser or Steward may ask competitors not competing that day to leave. An Organiser / Steward may impose a limit on the number of horses allowed in the warm up arena, giving priority to those closest to performing their test.

10. Working Hunter Practice Arenas

10.1 A practice area should be provided for each competition arena.

10.2 At least one upright and one spread obstacle should be provided. The wings must be marked with red to the right and white to the left and may only be jumped in this direction.

10.3 Practice fences may not be more than 10cms higher than the maximum height of the fences in the competition arena.

10.4 These obstacles are intended for warming up purposes prior to competing and they are not to be used for prolonged schooling by competitors or others immediately before, during or after a competition.

10.5 All elements of practice obstacles must be capable of being knocked down in the normal manner and must not be fixed, jammed or positioned in a manner which prevents or hinders them from falling. One pole only may be laid flat on the ground at the ground line or up to 1m from the ground line. False ground lines are not allowed. Alternate sloping top poles are not to be used.

10.6 Practice spread obstacles are not to be jumped in such a direction that the front element is higher than the rear element. No pole or obstacle of any kind is to be held by hand for a horse to jump.

11. Competing in Competitions

Close of Entry to the Arena

11.1 The class is deemed closed for judging and Competitors will not be permitted into the ring:

23. Working Hunter Courses

The Course

23.1 The course should consist of natural fences that reflect fences that may be found when travelling across the British countryside.

23.2 Start and Finish signs must not be used.

23.3 The course should consist of 7 – 14 numbered fences.

23.4 One or more doubles may be included at the discretion of the Course Designer.

23.5 Water trays may not be used in Nursery Stakes, but may be used in other competitions. Water must not be coloured and should appear natural.

23.6 Bullfinches may not be used in Nursery Stakes, but may be used in other competitions. If a bullfinch fence is used it must be secured to the ground and the frame must not be greater than the height for the competition. A bullfinch fence must be used as an individual fence and may not be part of a double.

23.7 Bullfinches will be judged for style and manners and will be reflected in the style mark, there are no knockdown penalties, refusals will be marked at the fence in the normal fashion.

23.8 Bounce fences are not permitted.

23.9 If a fixed fence is used, it must have a top element that knocks down.

23.10 Hazards may be used in the course, but must be clearly numbered and suitable for the level of competition for which it is being used.

23.11 Numbered directional flags may be used, which must have a red flag on the right and a white flag on the left.

23.12 Course Designers have the option to reduce the number of fences if they consider it necessary for safety reasons.

Walking the Course

23.13 Competitors are allowed to walk the course on foot before their class.

23.14 No person, other than the Judge or the appointed Course Designer is permitted to alter the course.

23.15 Horses / ponies are not allowed to practice over any part of the course before the commencement of any of the competitions.

Knockdowns

23.16 An obstacle is considered to have been knocked down when, through the fault of the horse / pony or rider, the whole or any part of the top element falls, even if the part which falls is subsequently arrested in its fall before reaching the ground; or at least one of its ends no longer rests on any part of its support; or if any wing or support intended to maintain the stability of the obstacle falls; or the pillars or wings with a wall fall.

23.17 If a combination or double fence is numbered as one fence, penalties incurred at each element are cumulative.

Refusals

23.18 If a horse / pony stops, or turns its quarters to a fence, or has a complete turnaround it will constitute a refusal.

Elimination

23.19 Any horse / pony taking the wrong course or jumping another fence after completing the course will be eliminated.

23.20 If a horse / pony jumps an incorrect fence out of a pen or lane they will be eliminated.

23.21 If a horse / pony displays continued disobedience, or the horse / pony leaves the ring whether mounted or dismounted they will be eliminated.

24. Working Hunter Marking

Competitor Restrictions

24.1 No rider may ride more than one horse / pony in a competition.

24.2 There may be no change of rider between phase one and phase two.

24.3 There may be no change of saddlery between phase one and phase two. Whips are not considered saddlery. Any horse or pony wearing front or back boots during phase one must be removed prior to phase two.

24.4 Marking

PHASE ONE

Jumping	50
Style & Manners while Jumping	20

PHASE TWO

Conformation	10
Manners, Type & Freedom of Action	<u>20</u>

TOTAL **100**

PENALTIES – PHASE ONE

Jumping Knock Down	10
First Refusal	15
Second Refusal	20
Third Refusal	Elimination
Fall of pony/horse or rider in any phase	Elimination

If the total in phase one is a minus score, then the score will revert to a zero score.
½ or plus or minus marks are not permitted.

Tie for Placing

24.5 In the event of a tie for placing the marks must not be altered. The Total Mark from Phase one will take precedence, followed by the Manners Mark, then the Conformation Mark. If there is still a tie the Judge's decision is final.

Elimination in Phase One

24.6 A Competitor that is eliminated in Phase One will not proceed to Phase Two.

24.7 The only exception to this rule is if a Competitor participates at the Trailblazers Championship Finals and the Competitor is eliminated or has a fall in Phase One, so long as the Competitor declares they are fit to continue, may continue to Phase Two, but will carry a score of minus twenty forward to Phase Two.

25. Qualification for the Championship Finals

Qualifying Period

25.1 The qualifying period for each Championship Final is from 2 June the previous year till 1 June in the year of the Championship Final.

25.2 Each venue's show organiser has the option to run as many Trailblazers qualifying competitions during each qualifying period.

Numbers to Qualify

25.3 The 4 highest placed combinations, regardless of the number of starters in the qualifier, will qualify to compete at the Championship Finals.

25.4 Competitors that qualify may purchase a Qualification Card from the venue at which they have qualified. The competitors must then complete the Qualification Card and send it the Trailblazers Central Office to register their qualification.

Qualifying for Multiple Classes at the Championship Finals

25.5 Once a competitor has qualified at a qualifying competition, purchased their Qualification Card and registered the Card, the one registered qualification card permits the competitor to enter multiple showing or working hunter classes at the Championship Finals as long as they are eligible for such classes.

Championship Final Schedule

25.6 Once a competitor has qualified at a qualifying competition, purchased their Qualification Card and registered the Card, a Championship Final schedule will be sent to the competitor by the Trailblazers Central Office in early June in the Year of the Championship Final.
